CALLER ID SPOOFING OF HAXTUN TELEPHONE COMPANY NUMBER  
(970) 265-4708

If you have received a call from telephone number (970) 265-4708, please be advised that Haxtun has investigated this number and determined that this is a non-working number that has not been assigned to any person or company. Therefore, Haxtun does not know the true origin of the call or the identity of the individual or company initiating the calls.

Haxtun believes this number has been spoofed by a telemarketer. Spoofing occurs when the person placing the call uses technology that allows them to change the information that is displayed on the recipients Caller ID screen. Spoofing can make a call appear to have come from any phone number the caller wishes. In the case of telephone number (970) 265-4708, because the number is not a working number, you will hear a message that the number has been disconnected if you attempt to dial the number.

Haxtun has advised the Federal Communications Commission and the Federal Trade Commission about complaints associated with this number. If you wish to file a complaint about a telemarketing call associated with telephone number (970) 265-4708, you can contact the Federal Communications Commission by using the online complaint form (<http://www.fcc.gov/complaints>); by calling the FCC's Consumer Center, 1-888-225-5322 (voice) or 1-888-835-5322 (TTY); by faxing 1-866-418-0232; or by writing to:
