You agree that your use of the Service constitutes your consent and agreement to all of the following terms and conditions.

D) Customer Rights and Responsibilities

- A. By completing enrollment and accepting all terms of the Agreement, you become an authorized user of the Service. Continued acceptance of this Agreement is a condition of the Service. You are responsible for complying with all of the terms and conditions of this Agreement, and with all policies and guidelines posted on the Service Website.
- B. You agree that Haxtun Telephone Internet may: (1) revise the terms and conditions of this Agreement; (2) revise its billing rates and account surcharges; and (3) revise the services provided under this Agreement at any time. Any such revisions will be binding and effective immediately upon posting the revised Agreement on Haxtun Telephone Internet's home page, or upon notification to you by E-mail or United States mail.
 - i) You agree to review the Agreement periodically. If any revision to this Agreement is unacceptable to you, you may terminate this Agreement at any time by contacting Haxtun Telephone Internet through the following means: (1) E-mail to information@haxtuntel.net; or (2) U.S. mail to Haxtun Telephone Internet, P. - C. You are personally responsible for all use of the Service under your ID and/or IP address, even if someone else utilizes them. Illegal, fraudulent, or abusive use of any ID or of the Service is grounds for immediate account termination, and said activity may be referred to the appropriate law enforcement authorities. Enrolling or using any ID on the Service under a name other than your own is prohibited.
- D. You are personally responsible for keeping any and all IDs or passwords for Haxtun Telephone Internet's services private. You must promptly inform Haxtun Telephone Internet if you suspect any breach of security, such as loss, theft, or unauthorized disclosure or use of your ID or password. Until Haxtun Telephone Internet is notified of

a breach of security, you will remain responsible for any unauthorized use of the Service occurring under your ID, IP address, and/or password.

- i) The benefits or rights conferred by this Agreement are nontransferable and nonassignable. The connectivity provided is expressly limited to you. Resale or use of this connection by another person or persons is prohibited.
- ii) Use or attempted use of a Service to improperly disrupt any of the Haxtun Telephone Internet's Service accounts or the Haxtun Telephone Internet's Service network may result in account termination and referral to enforcement authorities. Such use or attempted use includes, but is not limited to, "social engineering" (tricking other people into releasing their passwords), password cracking, security hole scanning, denial-of-service attacks, ping-flooding, sending packets with an improper packet size, UDP flooding and half-open TCP connection flooding.

E. You agree that the Service may only be used for lawful purposes. Any transmission (whether an upload or download) outlawed by state, federal, or international law is strictly prohibited, including, but not limited to, transmission of unauthorized transactions, copyrighted materials, misappropriated trade secrets, and threatening, harassing, or obscene materials. Haxtun Telephone Internet reserves the right (but is not obligated) to review and edit any material submitted for display or placed on the Service, excluding private E-mail messages. Haxtun Telephone Internet may refuse to display or may remove for the Service material that Haxtun Telephone Internet believes violates this Agreement or any policies or guidelines posted by Haxtun Telephone Internet on the Service. Haxtun Telephone Internet may also remove any material it deems harmful and/or offensive to other subscribers, merchants, information providers, the Service or the business interests of Haxtun Telephone Internet. You agree to indemnify and hold harmless the Haxtun Telephone Internet from any and all losses and liabilities arising from unlawful use of the Service. *(You may want to provide for indemnification associated with your action in response to allegations of same.)*

- i) Haxtun Telephone Internet bears certain legal liabilities for the use of its computer network and equipment. Haxtun Telephone Internet prohibits any and all use of its network for illegal purposes. When presented with a valid search warrant, subpoena, or similar legal document, you agree that Haxtun Telephone Internet may be obligated to release information associated with your account and use of the Service and that Haxtun Telephone Internet will cooperate with authorities in any criminal investigation of inappropriate Internet usage.
- ii) Any unauthorized use of Haxtun Telephone Internet's accounts or computers or Haxtun Telephone Internet's customer accounts by you, whether or not the target account or computer belongs to an Haxtun Telephone Internet customer, will result in action against you. Possible actions include warnings, account

suspension or cancellation, and legal action, according to the seriousness of the unauthorized use.

- F. Harassment or abusive use of E-mail and other Internet services is not allowed. Haxtun Telephone Internet will handle incidents of harassment or abusive use on a case-by-case basis.
- i) Haxtun Telephone Internet is subject to the provisions of the [Electronic Communications Privacy Act, 18 U.S.C. §2701 et seq](#), which prohibits an electronic communications service Haxtun Telephone Internet from producing the contents of electronic communications, even pursuant to subpoena or court order, except in limited circumstances. Haxtun Telephone Internet's e-mail servers retain e-mail for a period of approximately 0 days after the e-mail has been read and left on our servers. After that time, the e-mail is automatically deleted. Unread and sent e-mail is preserved on our system for approximately 0 days. If you delete any e-mail, that e-mail is automatically deleted hourly from Haxtun Telephone Internet's email system. You may download e-mail to your computer. Such e-mail is not preserved on Haxtun Telephone Internet's mail system.
 - ii) Haxtun Telephone Internet reserves the right to request a copy of the complaint and any supporting documentation to indicate how Haxtun Telephone Internet's e-mail address is related to the pending litigation which underlies a subpoena.
 - iii) Commercial advertisements are unwelcome in most Usenet discussion groups, social media, and on most E-mailing lists. Inappropriate posting may result in account suspension or cancellation. See the newsgroup or mailing list's charter for restrictions on advertising. "Spamming," or sending a message to many different off-topic newsgroups, is not allowed. Sending a message, especially an advertisement, to more than five recipients is considered by itself spamming unless the individuals have specifically requested to be added to a mailing list on that topic. E-mail is a person-to-person medium, not a broadcast medium. Unsolicited advertisements via E-mail, or via discussion groups whose charter does not explicitly allow advertisements, are not permitted.
 - iv) Electronic mail passes through multiple mail servers on the Internet as it passes from source to destination. Privacy can never be guaranteed from every possible mail server; therefore, users seeking additional privacy should use an encryption scheme to render messages unreadable by eavesdroppers. Haxtun Telephone Internet places a high value on privacy and will only examine users' E-mail when absolutely required; for example, when troubleshooting E-mail delivery problems or being served with a valid search warrant for the information.

You are also responsible for installation of browser software and configuration of all file servers and computer systems that are to have Internet access. Software installation and configuration is solely your own responsibility.

- I. All bills are due and payable on or before the 20th of each month to avoid termination of service.
 - i) You agree to pay any monthly fees, extra time charges, and other charges incurred by you or your designated users at the rates in effect for the billing period in which those charges were incurred. You shall pay all applicable sales and use taxes relating to utilization of Haxtun Telephone Internet. A reasonable fee or pecuniary penalty permitted by law will be charged for returned checks.

 - i) You agree not to post or transmit works that are subject to another party's rights, on or through the Service, without that party's express permission. Such posting or transmitting:
 - (a) will result in termination of this Agreement; and
 - (b) may result in civil or criminal liability.
- B. Federal and state law prohibit the unauthorized use of materials that are the subject of copyright, trademarks, trade secrets and other rights of third parties. Accordingly, you may be subject to liability due to uploading, downloading, or use of such materials in violation of applicable laws and regulations. Use of the Internet is solely your responsibility. To minimize potential liability, Haxtun Telephone Internet recommends

that you practice common sense and net etiquette when using the Internet. Review carefully what is posted and what is uploaded or downloaded. The rules of Internet etiquette are straightforward and useful in determining what may be posted or copied.

- i) The [Digital Millennium Copyright Act](#) clearly outlines what act(s) constitute copyright infringement, and the following link provides more information regarding copyright infringement, file sharing, and peer-to-peer technology: (<http://www.educase.edu/issues/p2p.html>).
